Product Description

Ariens APEX® Limited Edition Zero Turn Mower - 991590

A limited edition that puts no limits on perfecting your lawn.

The APEX® Limited Edition zero-turn mower was crafted to celebrate 90 years of unrivaled expertise in outdoor power equipment. It's the perfect combination of distinct styling and premium features. It begins with its paint scheme and graphics – no other mower on the market makes as bold a statement in design. But this mower didn't stop with its good looks. Its craftsmanship continues with a ton of performance and comfort features that leave a meticulous cut and make it a joy to drive. So join us in celebrating our legacy with a mower that's been 90 years in the making – the APEX® Limited Edition.
