Product Description

Ariens IKON Onyx 52" Zero Turn Mower

Every lawn mower makes a statement. The IKON ONYX™ makes several. It lets your neighborhood know that when you mow your lawn, it's anything but business as usual. Even parked in your driveway, it tells passersby you don't settle for just any machine to cut your grass. This is premium style and performance from the top of its comfortable high-back seat with its rubber isolators to the bottom of the aggressive tread on its rear tires.

Features

- **52" Cutting Deck** - Provides wide coverage and precise cutting for residential lawns.
- **Kawasaki® FR691V Engine (23 HP)** - Delivers reliable power and consistent performance.
- **High-Back Comfort Seat** - Features rubber isolators for reduced vibration and enhanced operator comfort.
- **Aggressive Rear Tires** - Improve traction and stability across varied terrain.
- **Zero-Turn Maneuverability** - Allows precise navigation around obstacles and tight spaces.

Best Use

- **Residential Lawn Care** - Ideal for homeowners maintaining medium to large properties.
- **Precision Mowing** - Designed for yards with obstacles, trees, and landscaping features.
- **Comfort-Focused Operation** - Perfect for extended mowing sessions with minimal fatigue.
- **Style and Performance** - For users who value both appearance and functionality in a mower.
