### Product Description

Experience unmatched comfort and performance with the **Toro 60" TimeCutter® Max Havoc MyRIDE® Zero-Turn Mower**, available in Columbia, SC. Featuring a **patented MyRIDE® suspension**, this mower isolates the frame from the operator to reduce fatigue and accelerate your mowing experience.

Built with over 100 years of Pro DNA, it boasts a **60-inch IronForged® steel deck**, hybrid-tread rear tires for superior traction, and a fully tubular steel frame for long-lasting durability. The **TimeCutter Max Havoc** also includes easy maintenance features like an integrated drain hose, automotive-style fuel fill, and a four-point deck hanging system.

Combine these top-notch **specs** with an attractive **price**, and this zero-turn mower is ideal for homeowners who want a professional-quality cut without compromise.
