Product Description

Little Wonder Pro Edger - Honda GX120

For over five decades the Pro Edger has been the choice of professionals. This wheeled edger is designed to cut clean, crisp edges quickly and efficiently, even in tough conditions. Dual belts provide extra power to the blade to cut up to 90 feet per minute!

- Edges up to 90 feet per minute. Get the job done quickly and more efficiently!
- Largest available cast iron cutter head on the market
- Dual belt drive provides extra power to the blade and reduces slippage during application.
- 10" steel blade is sharpened on all four sides giving you the ability to flip the blade over and extends time between sharpening
- Adjust cutting depth up to 4"

Pro Edger Features

- Convenient controls that allow adjustment of cutting depth (up to 4"), belt tension and blade engagement from the operator's position
- Dual belt drive for extra power to the blade and reduced slippage during application
- Four wheel design for extra stability. All wheels have steel hubs with ball bearings and full axles for smoother and easier maneuverability
- Largest available cast iron cutter head on the market
- Easily converts to a Pro Crack Cleaner with the Wire Wheel Conversion Kit

Professional Walk-Behind Edger for Clean Landscape Borders
