Product Description

Gravely Pro-Turn® 160 Kawasaki® Zero-Turn Mower

Put your best foot forward with the power and performance of the PRO-TURN 100.

Every inch is of value on the PRO-TURN 100. Packed with Gravely brand's time-tested features, this hard-working mower stands up to your toughest jobs.

Features may include:

- **60" X-Factor® II Fabricated Deck** - 7-gauge, heavy-duty deck built for industrial-strength durability and consistent cutting performance.
- **Kawasaki® FR730V Engine** - Reliable gas-powered engine delivering strong and steady performance for commercial mowing tasks.
- **24 HP Output** - Provides dependable cutting power for large-scale mowing applications.
- **Constant Belt Tension (CBT) System** - Maintains consistent belt tension to ensure stable blade tip speed and uniform cutting results.
- **Full-Suspension Seating System** - Designed for operator comfort with vibration control, lateral stability, and a 4-inch seat slide adjustment.
- **Commercial-Grade Construction** - Built to withstand demanding mowing environments with long-term durability in mind.
- **Fabricated Heavy-Duty Frame Design** - Reinforced structure designed for consistent performance under tough working conditions.

Best Use

- **Commercial Landscaping Operations** - Ideal for professional crews managing large mowing contracts and daily workloads.
- **Large Property Maintenance** - The 60-inch deck increases efficiency on estates, campuses, and open

commercial spaces.

- **Summer Heat Lawn Maintenance** - Supports seasonal mowing needs and follows [Best Mowing Practices to Beat the Summer Heat](#) for optimal turf care.
- **High-Volume Mowing Jobs** - Built for contractors needing productivity and consistent cut quality across multiple properties.
- **Equipment Maintenance and Service Use** - Easy access design supports routine upkeep, as well as [repair or buying parts](#) for long-term machine performance.
