### Product Description

## Apex Series 52" Kawasaki

The APEX powers through the toughest mowing environments with the strength of professional engineering and the comfort you expect from an Ariens. As a residential zero turn, the APEX is in a class by itself with intuitive controls for precision performance.

### Features may include:

**Full Tubular Frame** - The fully tubular steel frame rails are strong and more resistant to stresses to support loads of the machine with unprecedented strength and stability.

**Commercial-Grade Deck** - The thick 10-gauge steel deck is welded together for superior strength, durability, and impact resistance.

**Belt Tension Technology** - The self-adjusting belt keeps the tension constant to maximize belt life, minimize wear and maintain a consistent, quality cut.

**Deck Lift System** - The foot-operated deck lift system and simple pin selection provide easy adjustment between 15 cutting positions in 1/4" increments.

**Deck Access Panel** - Easy access to blade spindles and belts for quicker and more thorough cleaning.

**Padded Seat and Armrests** - Plush, adjustable high-back seat with padded armrests allows for longer use in greater comfort.

### Residential Zero Turn Mower with Kawasaki Engine Performance

The Ariens Apex Series 52" Kawasaki Zero Turn Mower delivers dependable performance with a 52" fabricated deck, 23 HP Kawasaki® engine, and a durable tubular frame for long-lasting use. This [reliable zero turn mower](#) is built for homeowners who want professional-grade results with comfort and precision. For more information, [contact us today or get financed today](#).
