Product Description

Apex Series 52" Kawasaki

The APEX powers through the toughest mowing environments with the strength of professional engineering and the comfort you expect from an Ariens. As a residential zero turn, the APEX is in a class by itself with intuitive controls for precision performance.

Features may include:

Full Tubular Frame - The fully tubular steel frame rails are strong and more resistant to stresses to support loads of the machine with unprecedented strength and stability.

Commercial-Grade Deck - The thick 10-gauge steel deck is welded together for superior strength, durability, and impact resistance.

Belt Tension Technology - The self-adjusting belt keeps the tension constant to maximize belt life, minimize wear and maintain a consistent, quality cut.

Deck Lift System - The foot-operated deck lift system and simple pin selection provide easy adjustment between 15 cutting positions in 1/4" increments.

Deck Access Panel - Easy access to blade spindles and belts for quicker and more thorough cleaning.

Padded Seat and Armrests - Plush, adjustable high-back seat with padded armrests allows for longer use in greater comfort.

Residential Zero Turn Mower with Kawasaki Engine Performance

The Ariens Apex Series 52" Kawasaki Zero Turn Mower delivers dependable performance with a 52" fabricated deck, 23 HP Kawasaki® engine, and a durable tubular frame for long-lasting use. This [reliable zero turn mower](#) is built for homeowners who want professional-grade results with comfort and precision. For more information, [contact us today or get financed today](#).
