Product Description

Apex Series 60" Kawasaki

The APEX powers through the toughest mowing environments with the strength of professional engineering and the comfort you expect from an Ariens. As a residential zero turn, the APEX is in a class by itself with intuitive controls for precision performance.

Features may include:

Full Tubular Frame - The fully tubular steel frame rails are strong and more resistant to stresses to support loads of the machine with unprecedented strength and stability.

Commercial-Grade Deck - The thick 10-gauge steel deck is welded together for superior strength, durability, and impact resistance.

Belt Tension Technology - The self-adjusting belt keeps the tension constant to maximize belt life, minimize wear and maintain a consistent, quality cut.

Deck Lift System - The foot-operated deck lift system and simple pin selection provide easy adjustment between 15 cutting positions in 1/4" increments.

Deck Access Panel - Easy access to blade spindles and belts for quicker and more thorough cleaning.

Padded Seat and Armrests - Plush, adjustable high-back seat with padded armrests allows for longer use in greater comfort.

Residential Zero-Turn Mower with Commercial-Level Strength

The Ariens Apex Series 60" Kawasaki delivers reliable performance with a powerful 24 HP Kawasaki twin engine, reinforced tubular frame, and heavy-duty 60-inch welded deck. This [reliable zero turn mower](#) is designed for homeowners who want professional-grade cut quality, durability, and comfort in a residential package.
