Product Description

Toro Recycler 21" 60V Electric Battery SMARTSTOW® Self-Propel High Wheel Mower - 21357

The Toro Recycler series is a patented cutting technology that brings an innovative mulching technique that make your clippings ultra-fine to provide moisture and nutrients that feed back into your lawn. We call these nutrient rich grass clippings, LawnVitamins™ . Save time, finish faster and make your job easier with Toro's 21 in. Recycler® Self-Propel 60 Volt Max* Battery Mower. Raise your expectations with this easy-to-start, easy-to-use, and easy-to-maintain mower. It's ready when you are, as it starts the first time, every time. We've Got You Covered. Enjoy peace of mind with a 2-year mower warranty mower and 3-year battery. And as a Toro owner, you'll have access to nearly 4,000 servicing dealers across the U.S. and Canada ready to assist you. Count on it.

*Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.

- 3-Phase Brushless Motor with RunSmart® Technology for increased runtime and optimized performance.
- Save Storage Space - Now you can fold, lock and store your Toro practically anywhere in your garage or shed with SmartStow®.
- Durable Steel Deck - Enjoy years of reliable use from your deck thanks to its steel construction, and you'll love the superior cutting and mulching performance it provides.
- We've Got You Covered - Enjoy peace of mind with a full warranty, not just limited coverage. 2-year full warranty mower and 3-year full warranty battery.
